Application Review and Edit

Applicants can import a resume, complete an on-line application, and specify job preferences. Application steps can be scripted to occur in a fixed sequence or presented as a menu of choices for the applicant.

Manager Self-Service

The recruitment-related elements of Manager Self-Service are included in the SBS HR.Net Applicant Self-Service.

- Post job requisitions.
- Request temporary help.
- Receive notification of applications received for open positions.
- Search candidate information.
- Schedule interviews and screening activities.

HR Professionals

Applicant Self-Service improves your recruitment efforts and allows you to focus on higher value activities..

- Efficiently gather, review, and route applications and supplemental information.
- Schedule interviews, tests and other screening activities.
- Establish on-going communication with the candidate community.

SBS HR.NET APPLICANT SELF-SERVICE

Applicant Self-Service is built using Microsoft .Net technologies to provide outstanding configurability and utility. Extend Applicant Self-Service using the many included customization features.

Applicant Self-Service is typically configured as an internet application but may be deployed as extranet or intranet application. Applicant Self-Service incorporates role-based security allowing access rights to be tailored to the needs of each audience. Information entered or updated by Applicant Self-Service users is routed for approval based on workflow processes configured by the system administrator before updating the live database.

Ask a Question

I understand that nothing contained in this application or conveyed during any interview that may be granted or during my employment, if hired, is intended to create an employment contract between you and me. In addition, I understand and agree that if I am employed, my employment is for no definite or determinable period and may be terminated at any time, with or without prior notice, at the option of either myself or the company, and that no promises or representation contrary to the foregoing are binding on you unless made in writing and signed by me and the company's designated representative.

AH

I hereby certify that I have not knowingly withheld any information that might adversely affect my chances for employment and that the answers given by me are true and correct to the best of my knowledge. I further certify that I, the undersigned applicant, have personally completed this application. I understand that any omission or misstatement of material fact on this application or any document used to secure employment shall be grounds for rejection of this application or immediate discharge if I am employed, regardless of the time lapsed before discovery.

AH

I hereby authorize the company to investigate my references, work record, education, and other matters related to my suitability for employment and, further, authorize the references I have listed to disclose to you any and all letters, reports, and other information related to my work records, without giving me prior notice of such disclosure. In addition, I hereby release you from any and all claims, demands, or liabilities arising out of or in any way related to such investigation or disclosure.

AH

Type your name exactly as you entered it at the start of the application process.
